

## The Difference

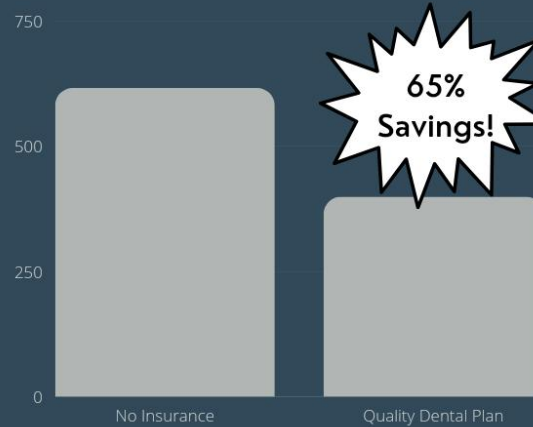

Hawley Lane Dental prides itself on offering a friendly and welcoming atmosphere to all of our dental patients. Dr. Kristy Gretzula and her husband, built the office from scratch, opening its doors in the spring of 2008. They turned concrete and beams into a beautiful, warm environment. As a mom to two small children, Dr. Gretzula knows what it's like to juggle a hectic household, which is why Hawley Lane Dental continues to be a family-friendly dental office. Hawley Lane Dental continually maintains the small, homey feel where you know you are well cared for.

Serving the community  
since 2008
